Re: DT 07-058, Verizon New Hampshire
Petition for Waiver of NeuStar's Denial for Four One-Thousand Blocks

Dear Ms. Wirth:

Verizon New Hampshire (Verizon) has petitioned the New Hampshire Public Utilities Commission (Commission) to grant a waiver of NeuStar's decision to deny Verizon's request for four new One-Thousand Blocks required for a customer in Portsmouth, New Hampshire. According to Verizon its customer is expanding and will require four One-Thousand Blocks. The customer avows 3000 numbers will be utilized within 180 days.

The Commission staff has reviewed the petition and recommended the waiver be granted. The Commission has found good cause exists, in this instance, to grant Verizon's petition for a waiver and requests that the Pooling Administrator release the 603-531-4XXX through 7XXX Portsmouth blocks requested by Verizon.

Please acknowledge receipt of this notice along with the completion date of the block assignments.

Sincerely,

Debra Howland
Executive Director
